**Step 3**
Fill in the “First” and “Last” name fields. Fill in the “Address” fields with a residential or business address (it must be within the borders of Calaveras County). You can only provide one address and Phone now (later you can provide additional addresses). Fill in the “Phone” field. Click the “Send text messages” box to
also receive text messages (cell phones only). If you leave “General Notifications” checked, you’ll also receive non-emergency messages (i.e. major road closures, etc.).

**Step 4** For E-mail notifications Click the “Add email” button.

**Step 5** Enter your E-mail address and Click the “+ Add email” button. Check the “Data Privacy” and “Terms and Conditions” boxes and then Click on “Verify Information.”
Step 6  If you desire a self-managed account click “Yes” to create a managed account so that you’ll have the option of updating your information at any time. Review your information and make any corrections if needed. Click the “Continue” button at the bottom when done.
Step 7 Verify your information and communication methods. Utilize the map to place the Blue Tack on your location by dragging and dropping it on the exact location of your property. Also verify your Phone number, E-mail (if selected) and if all is correct click Continue.
Step 8. Congratulations you have completed the Code Red Registration Process and will receive Notifications issued by Calaveras County.

Verify your location by moving and placing Blue Tack in map area on your location.
Congratulations
Your contact information has been successfully added and you will now receive notifications through CodeRED.

Caller ID
You will recognize the CodeRED call when your caller ID displays the following numbers. Please be sure to add these telephone numbers into your telephone's contacts, when applicable.
866-419-5000 or Emergency Comm for Emergency Notifications
855-969-1636 or ECN Community for General Notifications
If you would like to hear the last message delivered to your phone, simply dial the number back.

CodeRED Mobile Alert app
Download the free CodeRED Mobile Alert app today to stay informed of community, emergency and severe weather alerts directly on your mobile device. The app is geo-aware, meaning that you will only receive alerts that impact your specific location. Click here to download the CodeRED Mobile Alert app now.

Data Privacy
You have elected to keep your information private. ECN will not transfer your information to your local government or to any third party unless compelled to do so by a competent court of law. Your information will be kept in ECN custody, and ECN will take reasonable and appropriate steps to protect the information you share with us from unauthorized access or disclosure.
